Fall Youth Sports. Summer will soon be over, and that means that fall youth sports are just around the corner! Fall sports include soccer, coach-pitch baseball, T-ball, and kickball.

- **Registration ends Sept. 4.** The registration deadline for fall youth sports is Sept. 4th. For more information on programs being offered, or to become a volunteer coach, contact Mike Grono at 623-930-2834 or via e-mail at mgrono@glendaleaz.com.
- **Why Choose Glendale for Your Child's Sports Program?** A Proud Tradition for over 30 years, the City of Glendale has kept the best interest of children, parents, officials and volunteer coaches in mind while offering quality, award-winning youth sports programs. Glendale emphasizes maximum participation, fun, sportsmanship, social interaction, knowledge of rules and teamwork in all its youth activities. Our youth sports motto is "the outcome of the child is more important than the outcome of the game." It is our goal to continue offering a quality youth sports experience for everyone involved. We look forward to seeing you this season.

National Teddy Bear Day is Sept. 5th. Celebrate National Teddy Bear Day in Historic Downtown Glendale on Saturday, Sept. 5, from 10 a.m. to 4 p.m. and enjoy a fun-filled day of make-and-take arts and crafts, sweet treats and exclusive deals in Historic Downtown Glendale.

You and your beary best friends can start the fun at the Glendale Visitor Center located at 5800 W. Glenn Drive, Suite 140. While there, pick up your maps, coupons and gift bag (for the first 500 visitors) and take a spin on the themed prize wheel. Hop on board the cool and comfortable Glendale Express Shuttle, which will provide rides throughout Old Towne and Catlin Court. Visit boutique stores, specialty shops, and downtown eateries for giveaways and great deals.

Another important component of the event is a Teddy Bear drive to benefit the Glendale Fire Department's Trauma Teddy Program. Last year, nearly 200 stuffed animals were collected for children who have been the victim of a tragic situation. Bring a new, factory-wrapped teddy bear or stuffed animal to the Visitor Center as your first stop!

Making Sense of CENS. Have you heard of CENS? CENS is the Community Emergency Notification System, which is designed to rapidly notify a predefined area of a crisis situation by sending a recorded message through the telephone system.

Launched in January of 2004 and managed by the Maricopa Association of Governments, CENS has been used to find missing children, notify citizens of a police situation, and provide safety notices and evacuations.

CENS uses the 9-1-1 database to extract phone numbers that are designated on a map. When a circle or area is specified on the CENS map, it will launch a prerecorded message to the telephone numbers in that specified area. The message is recorded at the local 9-1-1 Center or Public Safety Answering Point (PSAP). The dispatcher will record the message in English and any other necessary language. Cellular or wireless phones are not part of the 9-1-1 database.

Because the message is recorded at the time of the incident, the necessary phone number to the recording agency will be released typically at the end of the message. Should you have any questions or have contributing information for that particular call or crisis situation, please refer to the number stated at that time.

Intersection of 67th Avenue and Cactus Road. The intersection of 67th Avenue and Cactus Road is scheduled to be closed Friday, August 28th beginning at 8p.m. thru Saturday, August 29th at 5p.m. due to overlay work.
